

**10 YEARS OF
MIA PHOTO FAIR**
directed by Fabio Castelli e Lorenza Castelli

**ANNOUNCEMENT OF THE DATES OF THE ITALIAN FAIR
DEDICATED TO PHOTOGRAPHY
FROM THURSDAY MARCH 19 TO SUNDAY MARCH 22, 2020
IN MILAN | THE MALL (Porta Nuova)**

Ten years of MIA Photo Fair!

The first Italian fair dedicated to photography, conceived and directed by Fabio Castelli and Lorenza Castelli, is getting ready to cross the finish line of the tenth edition.

The dates: from Thursday March 19 to Sunday March 22, 2020; The location is The Mall – Porta Nuova in Milan.

Among the anticipated events, we would like to highlight the exhibition *Beyond Photography Italy / The Seventies*, curated by Elio Grazioli. The exhibition will consist of several stands, by a number of galleries, with solo shows of photographs by Italian protagonists of the decisive period of time of the late sixties of the last century. The photographs will range from traditional documentary, *reportage*, neo-realistic or *Bressonian*, to those defined as experimental or aesthetic. All these elements can be assigned to the artistic avant-garde, used by those 'who worked with photography' as a medium for contemporary art.

The scientific committee is already reviewing the curatorial proposals and projects, submitted by Italian and international galleries to the office of MIA Photo Fair. This process will ensure the quality and prestige of the exhibitions during the fair, which welcomed approximately 25.000 visitors during

the previous edition in 2019 and had an excellent sales result with over 80% of the galleries closing deals.

The *deadline* to participate is November 15, 2019.
